

*In response to God's need for workers
in His harvest field and a man's need
for adventure, battle and fellowship
CBMC mid-Michigan has developed
SWAT Team men's ministry for
companies and churches.*

*In God's world live men, angels and
demons. In God's world a constant
battle rages for the souls of men. The
enemy seeks to kill and destroy while
the Savior seeks to save and restore.
In God's world men are the target, the
prize and the means for accomplishing
His objective.*

*"For we are not fighting against
people made of flesh and blood, but
against the evil rulers and authori-
ties of the unseen world, against
those mighty powers of darkness
who rule this world, and against
wicked spirits in the heavenly
realms." [Ephes. 6:12 \(NLT\)](#)*

*"This is no afternoon athletic con-
test that we'll walk away from and
forget about in a couple of hours.
This is for keeps, a life-or-death
fight to the finish against the Devil
and all his angels."

Spiritual Warriors Attacking Together

SWAT Teams

SWAT means Spiritual Warriors
Attacking Together.

The Lord Jesus' last words to His disciples was His mission statement for His future followers, those words were, "go and make disciples." While the disciples were with Jesus they experienced the excitement of obedience to this directive while Jesus recorded the results, "I saw Satan falling from the sky." Jesus identified the enemy as a deceiver who lives behind hellacious gates but that His men would be able to assail those strongholds as they proclaimed the gospel when He promised that, "the gates of hell will not overpower it."

The Lord Jesus prayed that men would join Him in His labor and told His followers to likewise pray for fellow soldiers for He knew the laborers would be few. SWAT team members are those few who rise to the challenge of joining King Jesus in the work of building His church while facing the enemy head on.

SWAT teams are formed when a few men form a covenant to pray for the captive and then storm the enemy's stronghold together in order to secure their release. CBMC of mid-Michigan provides tools and training to make this team successful.

SWAT team members are committed to Jesus Christ as commander of their life, His church and it's increase in both

it's breadth and in it's depth as well as the consequences of battle for the hearts and minds of men. They are no longer ignorant of the devil's schemes nor are they unproductive in their labor. SWAT team members are focused, passionate and fruitful.

A SWAT team meets weekly to pray for unchurched men and study God's Word together to build their resolve. They are men who develop relationships with the lost, expose them to the gospel through CBMC and disciple new believers as they give their lives to the Lord Jesus.
